

Biloxi Soccer Organization

**Attn: Todd Wooten
P.O. Box 4453
Biloxi, MS 39535**

Dear Vendor:

The purpose of the Biloxi Soccer Organization is to regulate, promote, develop and educate youth soccer in the Biloxi, Mississippi area at all levels of play. The Club is organized under the Mississippi Soccer Association.

We're soliciting support from your business to aid us in raising funds for the Biloxi Soccer Organization. BSO has over 1,200 children that play soccer each year starting the month of October through April. This is an excellent opportunity for your business to advertise at the Biloxi Sportsplex. BSO has variety of choices for you to choose from. We are offering to place banners around the soccer complex for a sponsorship of \$250. You may also choose for \$250 to have your company logo on a team's jerseys and a plaque with a team picture for your business. For \$500 sponsorship your business will be the host of one of our eight age groups the "your business name" Division. Additionally, BSO is offering an exclusive offer to have a field named after your business for a sponsorship of \$750. Teams will report to "your business name" Field for games. A business may choose to sponsor the entire league for \$5000 for maximum benefit. These are perfect opportunities for local businesses to maximize advertisement and offers services for children and families. With your sponsorship your business will be recognized during our opening and closing ceremonies. Also in addition to your sponsorship and support you choose, your business name & logo will appear on our website as a BSO sponsor.

Please aid us in our endeavors by becoming a corporate sponsor of the Biloxi Soccer Organization. If you have any questions, you can reach me at 228-348-0097. Thanks in advanced for your support and cooperation.

Sincerely,

Eddie Heiken
President, BSO

(Company name done in block letters on a banner)

Field Sign Sponsorship:

Field signs are a great way to get the most exposure for your business. Over 3000 men, women, and children are on our fields each weekend during the six months of our playing season. In addition there is a strong probability that we will host at least one tournament during this soccer season. The purpose of this program is to raise funds for the league to support teams that may advance to regional and national tournaments.

Our signs are 7x3 and positioned at various areas on and around the complex. Sign maintenance is solely the responsibility of BSO. Once you sponsor a sign, we have it made and maintained.
